

**NOTICE OF CHANGE IN THE ELECTRIC RATE TARIFFS OF  
POUDRE VALLEY RURAL ELECTRIC ASSOCIATION, INC.**

You are hereby notified that Poudre Valley Rural Electric Association, Inc. (PVREA) has changed the PVREA's Electric Rate Tariffs as follows:

**Energy Sales to Members for energy from Renewable Resources previously charged at \$0.50 per 100 kWh block of energy will be charged in the future at the Tri-State G&T then current rate per 100 kWh block of energy. The new rate will take effect for electric billings rendered on or after June 1, 2010. The rate at this time is \$0.09 per 100 kWh block of energy purchased by a Member of PVREA.**

A copy of the complete Electric Rate Tariff is available for inspection at PVREA headquarters office during normal business hours or on the PVREA website: [www.pvrea.com](http://www.pvrea.com).
